## 1978 Talisman Dedicatee

Mr. Roger Bauernfeind

The dedication of the yearbook is the most prestigious award that the *Talisman* staff can bestow upon any one person. Prerequisites include loyalty, dedication, services to the school, and a genuine concern for others. This year's dedicatee possesses all of these, plus one other quality—love. There is one person who fits this description best:

MR. ROGER BAUERNFEIND

After receiving his Bachelor of Science from the University of Wisconsin at Oshkosh, he furthered his education at McMurry College to receive his Master of Education. He has been a citizen of Abilene for twenty-one years. Mr. Bauernfeind has taught at Jefferson and Madison. He was principal of Franklin, Lincoln, and now principal of Cooper High School. He has been blessed with a loving wife, Marilyn, and two children—Paul and David.

Mr. Bauernfeind is deeply loved by everyone with whom he comes in contact. No man has ever won the hearts of so many in so short a time. He came to Cooper a "sophomore" along with the Seniors of 1978. He has grown with us and will be a part of our lives forever; because, he has helped so many of us when we have needed him. He is truly deserving of this award.

Mr. and Miss C. H. S.

## Cooper Administrative Staff Works for a Better Year

The Cooper Administrative staff has worked very hard this year. To make the year a success, Mr. Valree Brailsford contributed by keeping order of the Cafeteria, distributing books, and seeing that there were substitutes for the teachers. Mr. Brailsford graduated from Prairie View A&M University with a Bachelor of Science and a Master of Education. He has been a great aide for Cooper, and has served Cooper for six years.

Mr. Garnie Hatch also helped the Administrative staff by maintaining the student attendance, maintenance, and discipline. With a Bachelor of Science degree in Physical Education and a Master of Education in Administration, Mr. Hatch graduated from University of Mississippi.

Mr. Reford Schmittou, the Dean of Students, also added his share of effort on the Administrative staff. He was responsible for various student activities throughout the year. Mr. Schmittou has a Bachelor of Science Degree from Abilene Christian University and a Master of Education from The Lady of the Lake College.

# We Are Great in '78

A.

In 1975, this year's Senior class came onto the Cooper High campus with enthusiasm and the determination to work hard and accomplish something. Through all three years this spirit prevailed. The class of '78 has been one of the most spirited and involved classes Cooper has had.

With a vitality that will be hard to match the energetic Seniors of '78 led a hard-working and enjoyable year.

The class of '78 will long be remembered by students

and faculty alike. The slogan of our sophomore year, "We'll be Great in '78," has come true in our Senior year. **WE ARE GREAT IN '78!**

The officers of 1977-78 were: David Bauernfeind, President; Wes Williams, Vice-President; Shelley Ford, Treasurer; Valerie Scott, Corresponding Secretary; Wanda Keels, Recording Secretary; and Ken Dozier Student Council Representative.

*Ourselves  
Juniors*

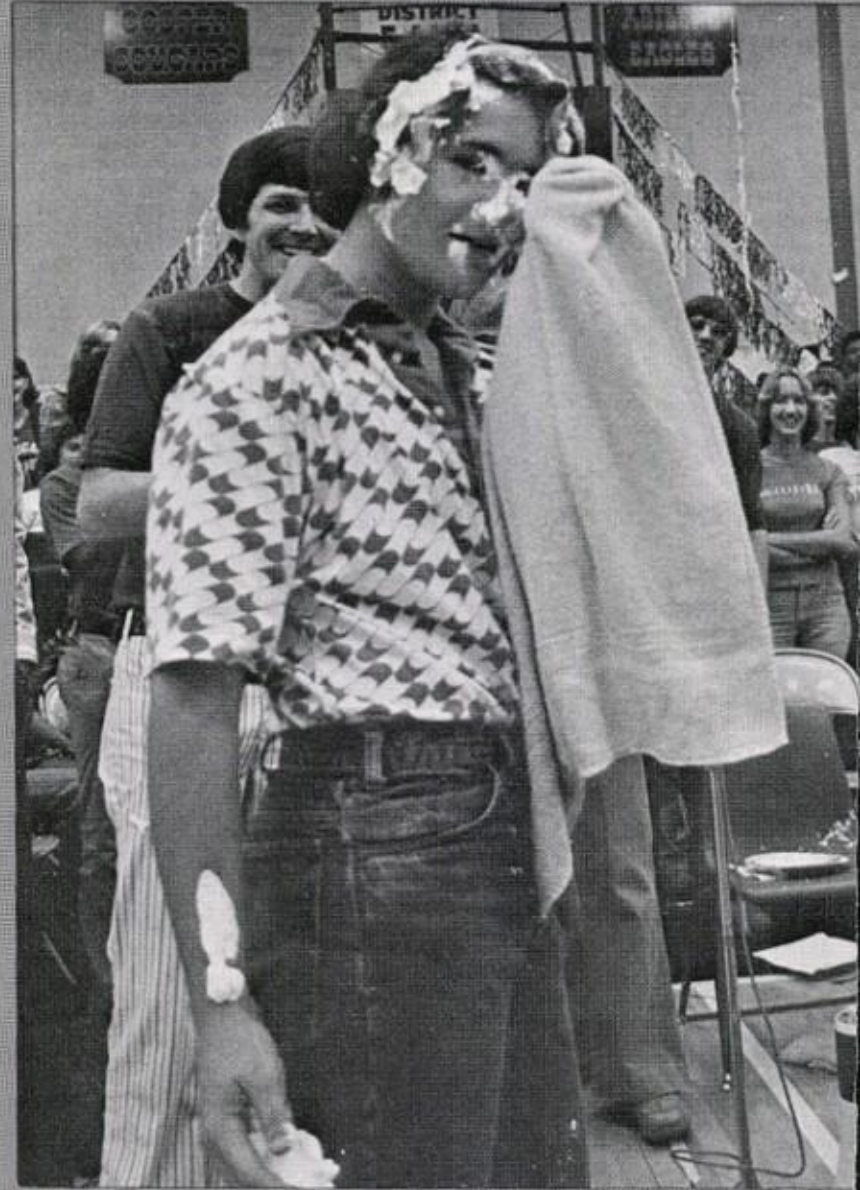

## Class of '79 Still Shining

A.

Spirit of '79 was flying high this year. The resourceful Juniors proved this year, as they did as Sophomores in '77, that they are an exceptional group of students. They had a bright, optimistic outlook that stayed with them throughout the year. They were involved in the school's activities the entire '77-'78 school year. The Class of '79 has always kept an eye out for the future, and next year as Seniors they will once again shine as one of the best classes to ever attend Cooper High School.

The Junior class officers of 1977-1978 were: John Spalding, President; Kary Taylor, Vice-President; Paige Powers, Treasurer; Terri Gregg, Recording Secretary; Toni Gregg, Corresponding Secretary; Kelley Scholes, Student Council Representative.

# They Were the Best From East to West

A.

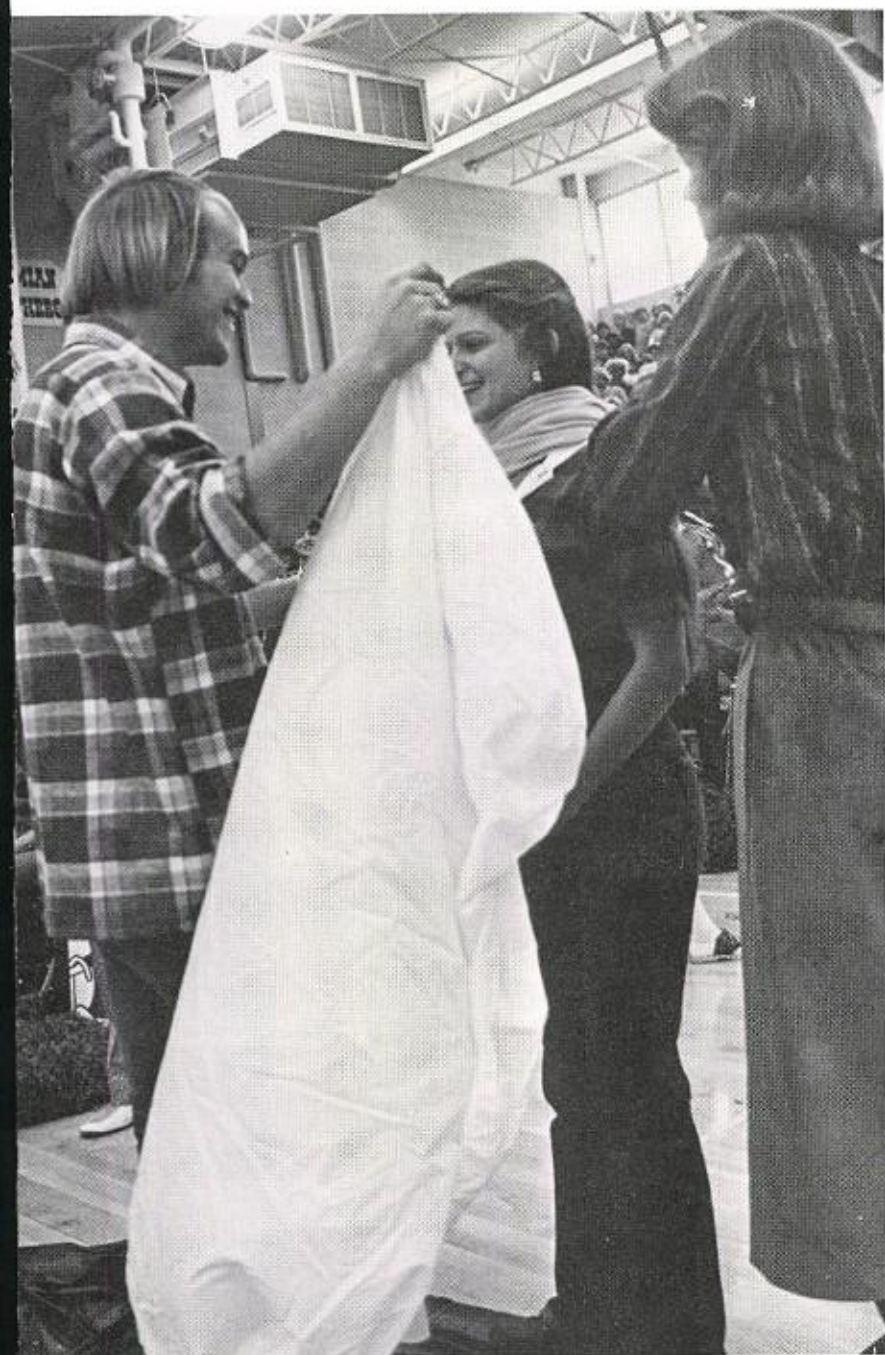

Spirit and vitality radiated from the '77-'78 sophomore class. The leaders of this enthusiastic group of sophomores were:

Julia Siewart, President; Lana Yielding, Vice-President; Suzanne Barbee, Recording Secretary; Gena Steele, Corresponding Secretary; Robbi Monk, Treasurer; LaDonna Reeves, Student Council Representative.

The class of 1980 got involved in Cooper's activities. Their great spirit showed in pep rallies and in daily activities. With "Of all the classes from East to West, the Class of '80 is the best" as their class motto, the sophomores showed potential for being great leaders for Cooper.

# Homecoming '77

As Homecoming night drew near, everyone became excited about seeing the ex'es, the game, and finally the naming of the Homecoming Queen for 1977. Spirit soared during Homecoming week and many activities occurred. Fall Production was given, a Snake Dance to McMurry was held, spirit days were planned for everyday, and ex'es receptions were planned for both after the pep rally and after the game. During the pep rally there was a moment of awe as the senior sign was unveiled. Returning Student Council President of 1973, Maury Taylor, gave the pep talk and both he and Kimberly Chaney Moore, 1973 Homecoming Queen received gifts.

Finally the big game against Permian Panthers arrived. Even though we lost the game, no one was too upset as our team had played a great game. Homecoming 1977 was over.

## Football

The Cooper Cougars opened the 1977 season against the Brownwood Lions. They were defeated by the score of 15-6. The Coogs had high hopes of a win the following week but they were dashed when Wichita Falls blanked us 18-0. Despite two previous losses, the Cougars kept the spirit up and stunned third ranked Killeen 17-13.

District play opened against San Angelo, there. The game was a hard fought, well executed, physical contest. The Coogs were out for revenge from last years game but the Bobcats came out on top 13-12. The following week's contest was against the Odessa Broncos. Spirit was high and the Coogs won 7-0. Midland Lee was our next opponent and Cooper lost 6-10.

Homecoming for 1977 was played in a downpour of rain against Permian. The Coogs fought hard to beat the Panthers but once again Mojo prevailed 14-7. The two following week's contests were both Homecoming games for the opposing teams. The mighty Cougars destroyed any hopes of a win by defeating the Big Spring Steers 41-6 and the Midland Bulldogs 4-8.

The last game of the season was against cross-town rival Abilene High. Both teams had come off spectacular wins the previous week and to some it looked like an even match up. "Not so!" said the Coogs. From the opening kick-off, the game belonged to the Cougars. Once again, this time without snow, the Coogs defeated the Eagles by a score of 28-15.

# Cougar Basketball

The Cooper Cougars began the first half of district with high hopes of winning the district championship. Near the end of the first half, the Cougars were tied with Midland Lee for second place.

In spite of the fact that the Coogs had a disappointment in not winning the first half of district, spirits remained high. Along with the Cagers' great spirit was the Wild Bunch 78" who came to all the home games and many of the out of town games.

The Cooper Junior Varsity, coached by Haskell Sinclair, had a fine year. The Junior Varsity featured a great deal of talent with players like Brian Keathley, Alvin Jenkins, David Williams, Jay Zumwalt, and Kyle Stuard promising a strong basketball program next year.

Cooper Cougar Basketball, led by Coach Marc Case and assisted by Coach Haskell Sinclair began the year with one hour a day workouts. On October 15 formal season workouts began. In the workouts the Cougars focused on dribbling, passing, and getting their timing down for a strong and exciting season.

The Cager's first test came against Lubbock Monterey.

This game was the first of non-district play which ended against Wichita Falls Rider. During non-district the Cougars played in three tournaments. One in Lubbock, Waxahachie, and another in the Abilene Invitational, of which they won all three.

This year's team possessed many great advantages over other teams' height, and quickness which was featured in star players like Steve Sitzes, Bobby Miers, Sam Houston, Terry Orr, Woody Martin, and Dennis Bradford. With this fine talent Coach Case hoped to repeat as district champs.

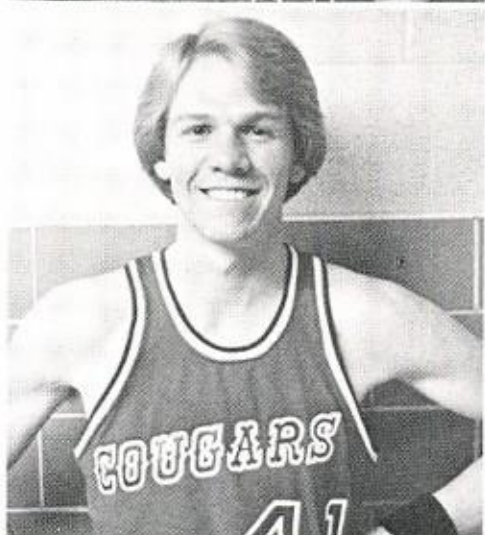

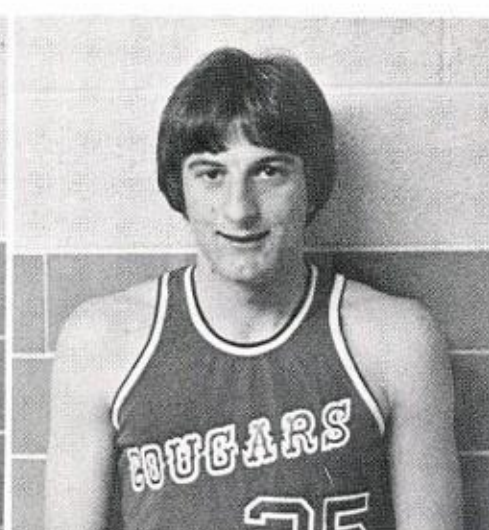

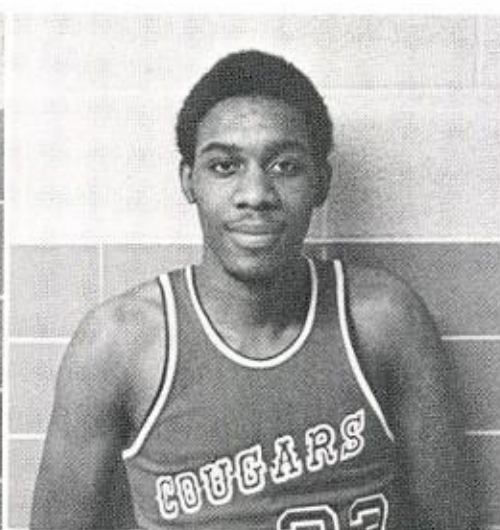

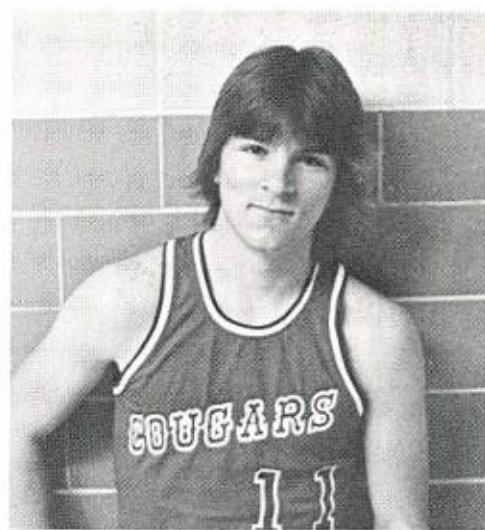

The Cougars started the second half by beating the San Angelo Bobcats. The second half was very close. The Cougars were undefeated and in first place but Abilene High, the first half champs, were in second losing only one game. The Coogs met the Eagles in a final showdown. If the Cougars won there'd be another game between the crosstown rivals. If the Cougars lost, the Eagles would automatically be the 5AAAAA champs. It was a hard fought game but the Eagles walked away with the district title.

Thank you, Cooper Cougar Cagers, for giving us, your loyal fans, a most enjoyable and exciting season.

## 1978 COOPER TENNIS

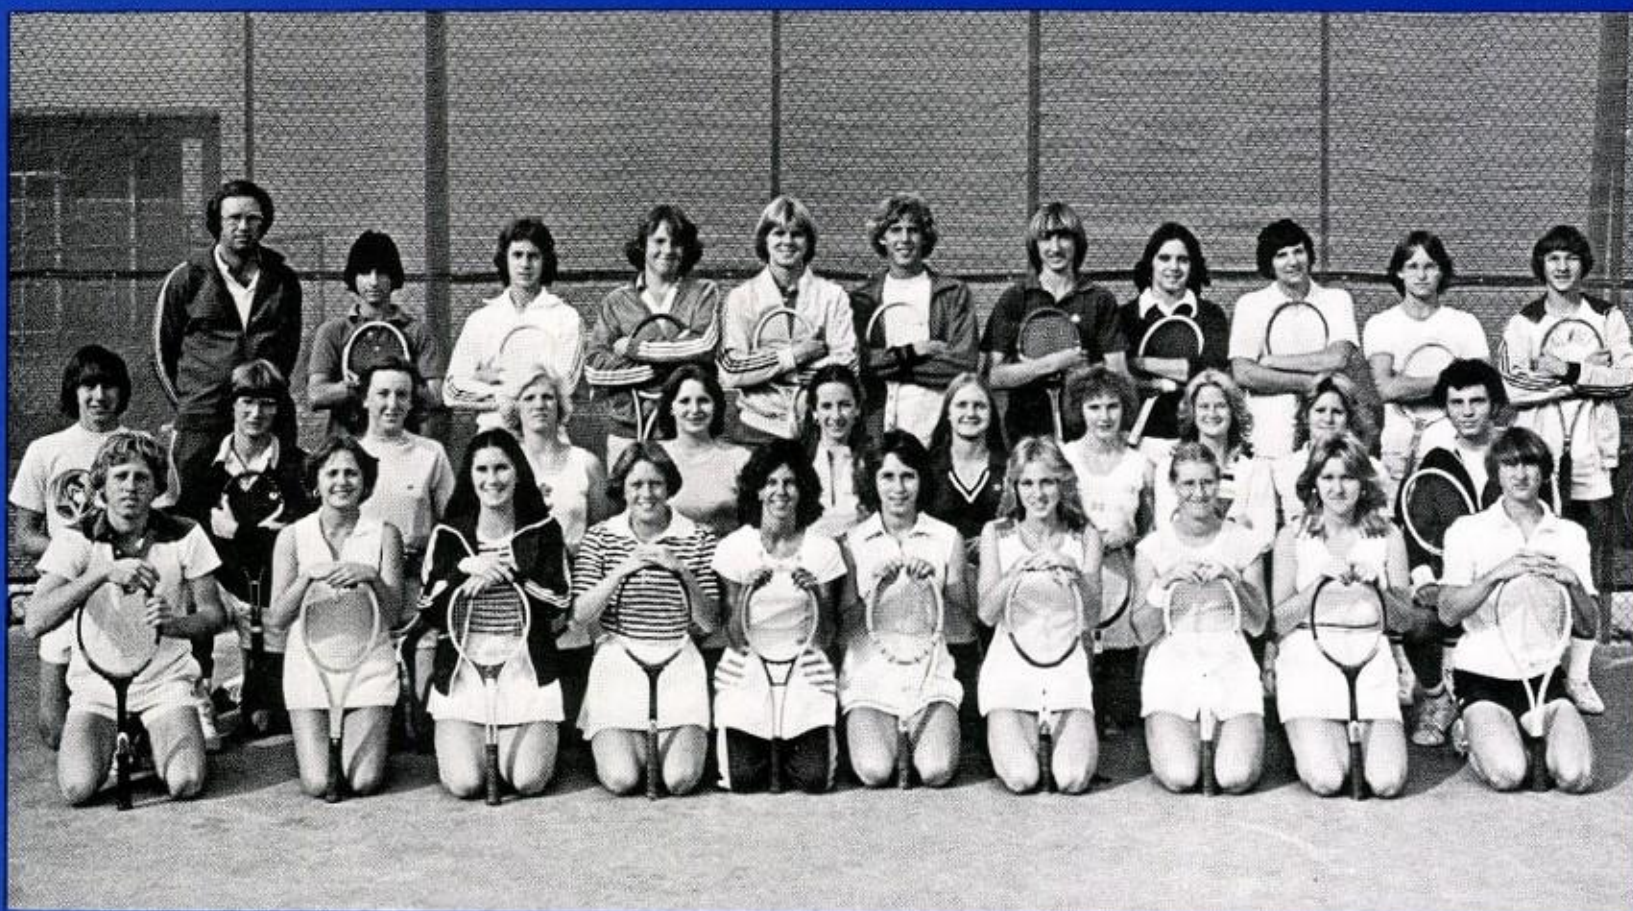

The 1977-1978 Varsity Tennis Team had an exciting year under the leadership of its new coach, Steve Buck. Coach Buck joined the coaching staff at Cooper this year after leaving his previous position as the tennis pro at the Westwood Racquet Club. His experience in the field of tennis helped lead the Cougar Tennis Team to a fine season.

This year was a year for changes. The team did not compete in state team tournaments, as in past years. Instead, each player had to face the challenge of trying to rank individually. This provided incentive to each player.

Both men's and women's teams offered strong opposition this year. The men's team was led by many fine players such as Brent Proctor and Joe Snailum. Debbie Vaughn again showed her fantastic ability in helping to lead the women's team in a fine season.

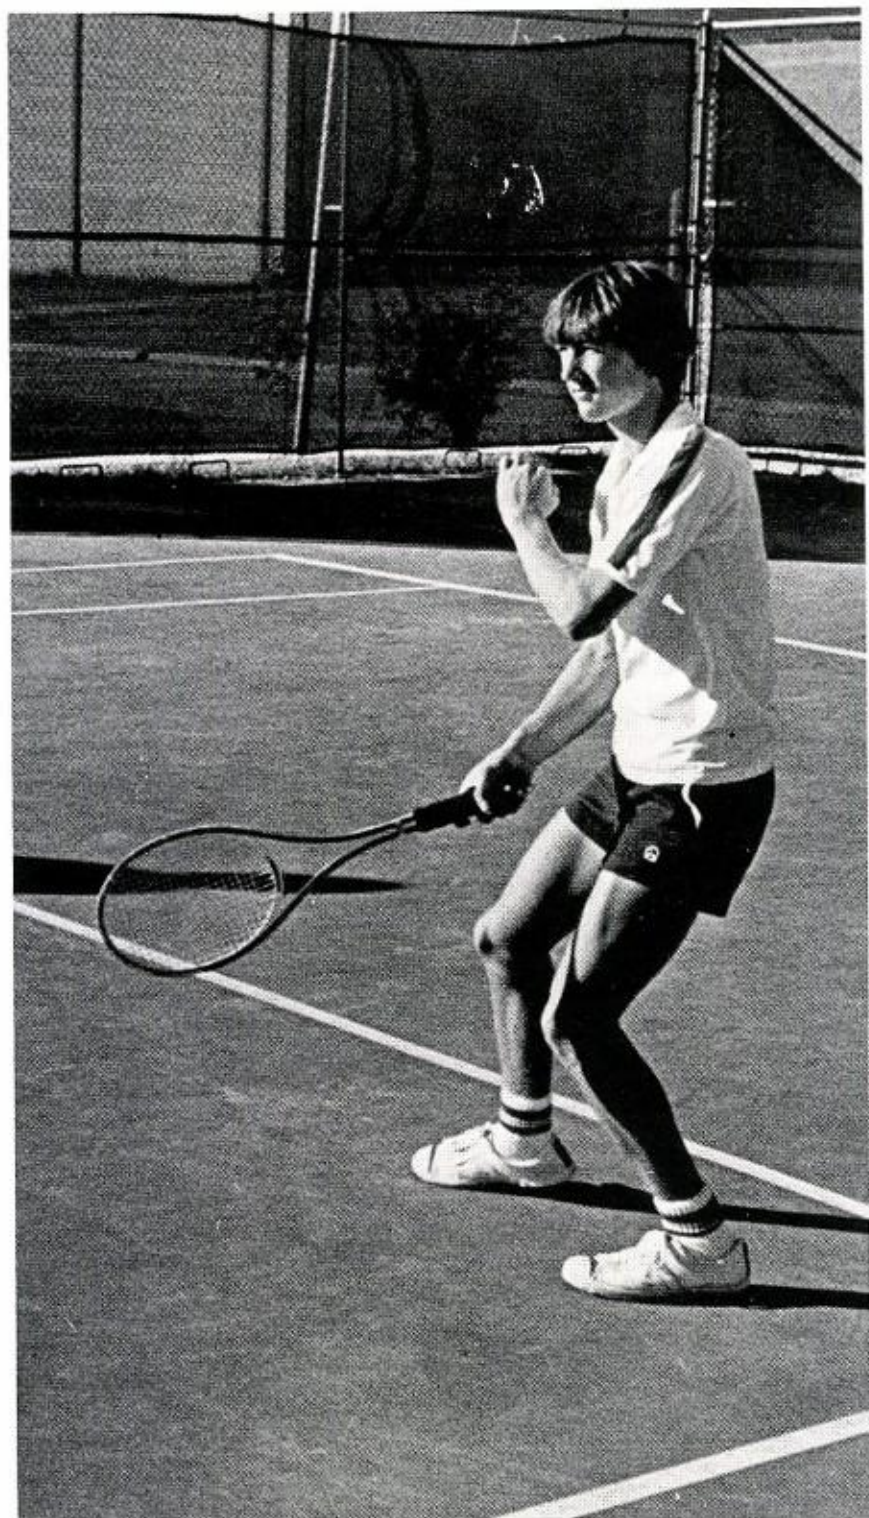

Several schools offer a challenge, but Midland High will be the Coogs chief rivals.

# Cougar Volleyball

The girl's Volleyball team at Cooper has worked long and hard hours and are something Cooper can be proud of. Each girl has acquired a little bit better sense of sportsmanship and the desire to do good in everything they take on.

The 1977-78 Volleyball team, both Varsity and Junior Varsity, worked hard to place in district. The Varsity team placed sixth in district, the Junior Varsity fourth. The teams participated in the Key City, Snyder, and San Angelo tournaments, with 16 other teams competing also.

Teresa Jenkins was named to the All-District first team. She was a unanimous choice.

# Cougar Girls Track

The 1977 Fifth District AAAA Championship was won under the coaching of Mrs. D'Lana Williams; however, most of the girls of that championship team graduated, so the 1978 season was devoted to building the talents of the untried, inexperienced sophomores and rebuilding those previously displayed by the returning juniors and seniors. The new talent developed under this program will serve as a strong nucleus for the 1979 season.

The 1978 Girls Track Team, under the coaching of Mrs. D'Lana Williams and Mr. James Alderman, was involved in a very active year. The season began in the fall when the Cross Country Team, coached by D'Lana Williams, performed well in several meets. Regular season, coached by James Alderman, began with a practice meet on February 25 and continued on through district competition on April 14. From there District qualifiers travel on to the Regional Meet in Lubbock and then to the State Meet in Austin.

In the last couple of years, the students have really become involved in the intramural program at Cooper. Carl Childers is the director of the many activities that are scheduled throughout the year. A large majority of the homerooms have participated in the different sports.

Intramural teams are made up of homeroom teams. They turn in rosters of their players for the sports they wish to play in. Then the action begins. Games range from football, volleyball, tennis, track, and ping pong, to basketball. There are many rivalries that show up throughout the year. Intramurals give all students who are not on a varsity or junior varsity team the chance to become involved in athletics.

The girls began the year by attending cheerleading camp in the summer, where they were instructed in various new yells. They were presented with the Spirit Stick and were the most congenial and enthusiastic squad at the camp. Kelle Ray was awarded the highest award that can be received by a girl attending the camp. This award is the National Cheerleading Association Award which means that she can return to the camp as a counselor. The girls were aided by the Siren Squad in performing various different stunts during pep rallies and at the games as well. The six planned out various ways of pro-

moting school spirit. Most students got involved in one way or another. The Cooper Six successfully promoted school spirit in all athletic events throughout the remainder of the year.

# Officers and Executive Staff Lead Student Council Through an Eventful Year

The 1977-78 school year arrived and with it came a brand new Student Council. The executive board of the Student Council has worked hard to better the student government at Cooper High School. Qualities of leadership, citizenship, and dependability have been found in every activity organized by these officers. They have been

the basis of better organization in all the functions related to the Student Council. Officers for this year: James Hughes, President; John Kiker, Vice-president; Becky Jones, Recording Secretary; Clairissa Taylor, Corresponding Secretary; and Sherry McDowell, Treasurer. Mr. Reford Schmittou was the sponsor for the Student Council.

The major goals for the 1977-78 student council were to become more involved in student activities and to aid in the decision making processes in high school. Through representation of each homeroom, student council members worked diligently for change and enrichment in our school with the help of the executive board and Mr. Schmittou. Student Council activities included the Merry Andrew assembly in the fall, taking Thanksgiving baskets to many needy families, hosting the Abilene-Cooper High Student exchange, sponsoring the Ugly Man assembly in the spring, and managing the student store throughout the year. Each elected representative was responsible for conveying news from each meeting to the students in the homeroom. The Student Council has proven to be an excellent voice of the Cooper student, and in this way our school has reached the boundary of unification.

The 1977-1978 Cougar's Pride entertained fans with pom-pom routines and hand routines. During football season, the pep squad highlighted pre-game activity with a colorful card section. Withstanding long bus trips, rain, and cold weather, the members of Cougar's Pride faithfully followed the Cooper teams and provided much encouragement and support.

Money making projects the girls participated in were the selling of spirit ribbons, toboggans, and jackets. The girls also sold bumper stickers and membership to the Cougar Booster Club.

The Careers In Medicine Association is a club aimed at involving those Cooper students interested in some form of a health career. Through various trips and activities the members are able to learn more about their various fields of interest. The C. M. A. is a member of the Texas Association of Careers in Health.

The organization sponsored many fund-raising events, including bake sales, a car wash, and a paid assembly in January. Part of the profits collected from these money-making projects went towards the annual banquet and the picnic at the end of the school year. The rest went into the January trip to the Texas Tech Medical School and the Houston/Galveston trip in April. Members of the club also participated in the annual Health Careers Day at Hendricks Hospital in February.

Officers from the year were the following: Drew Dillard, President; Mary Duggan, Vice-President; Joan Buzard, Corresponding Secretary; Cindy Gee, Recording Secretary; Janet Estes, Treasurer; Bernal Reneer, Historian; and Beth McDaniel, Reporter. Club sponsors for the year were Natha Kidd, Mike Newton, and Jerry Wood.

This school year represents a milestone in the ten year history of the Cooper Film Society. The acquisition of the Cinemascope screen added a new dimension to film here at Cooper. The massive 30 by 50 foot screen made a serious impression on all involved. Future films at Cooper will be greatly enhanced by this new development.

The purpose of the Film Society is clear: (1) To instruct students in developing a way of criticizing films; (2) To give an opportunity to see and discuss varied films; (3) To point out for observation the techniques of film as an art; (4) To observe techniques of adapting the works of literature to the screen; (5) To develop values illustrated in films.

# Knowledge Is Math-Science

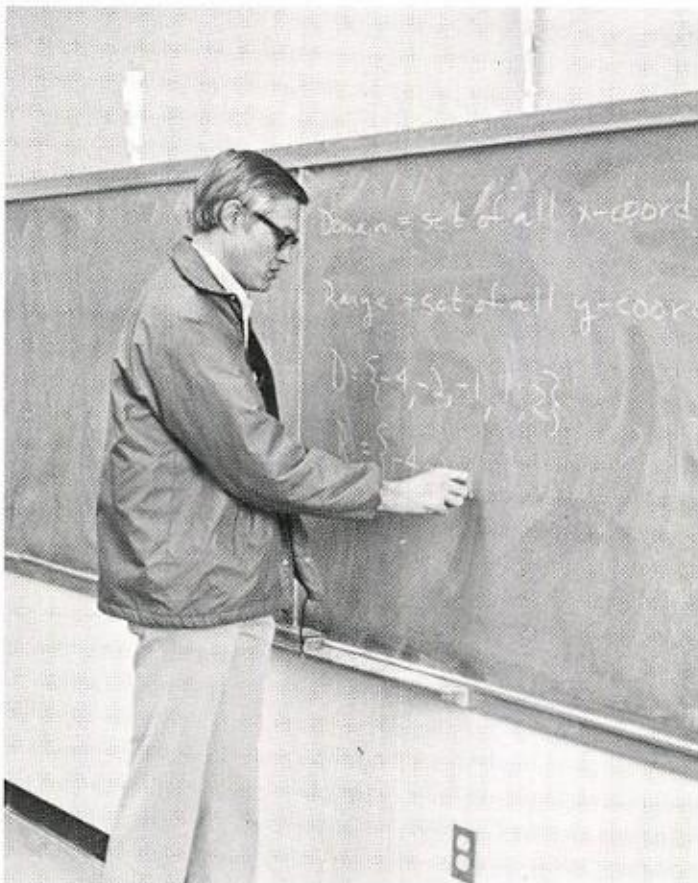

## Seminar's Objective

A new dimension of Education was introduced by Mr. James O. Alderman at Cooper in the form of a Math-Science Seminar for students interested in the fields of mathematics and science. The Math-Science Seminar's objective is to advance knowledge and interest in mathematics and science. Interested students learn mathematical concepts which are carefully applied to the areas of nuclear physics, nuclear engineering, optics, thermodynamics, and nuclear radiation transport phenomenology. Mr. James O. Alderman, a nuclear physicist, and Mr. Ronnie Cheek, a mathematician, work together to develop the basic mathematical concepts in preparation for instruction by Mr. Alderman in the areas of nuclear structure and nuclear reactor design. Karen Barton is the note taker for the Seminar and plans are being made to publish the notes as instructional material for future Seminars.

Officers for the first year of the Seminar were Doug Shelton, President; Carl Bargainer, Kerry Knox, and David Nelsen, Vice-Presidents; Karen Barton, Secretary; Jim Boggs and Steve Rogers, Treasurers; Forrest Waldon and Larry Gee, Course-Coordinators; and David Watson, Historian. The Seminar sponsor is James O. Alderman.

The Young Republicans were organized this year to provide a better understanding and meaning of politics. Members of the Young Republicans participated in campaigns, money raising projects, and conventions. Their activities included backing Republican candidates and serving the community by working with the local government. The local community was not the only area in which the club worked though. In February club members attended a major Republican Convention in New Orleans, Louisiana. Other trips were scheduled for Lubbock and Austin to attend conventions. This year's sponsor was Mr. Ray Inzer.

The French Club began its activities enthusiastically in the fall, selling imported candies to subsidize the cost of its trip to Fort Worth and big D. This was one of the best of such trips, as members were able to enjoy four great French-related cultural activities. First stop was a tour through the Kimbell Museum to view the French paintings in their permanent collection, as well as the recently-acquired Rembrandt. Next, the group stopped at downtown Neiman-Marcus in Dallas for the French Fortnight being celebrated throughout the store. After a dinner at a French creperie, many of the students attended a performance of Moliere's play, *The Imaginary Invalid*, presented by the Dallas Theatre Center.

In mid-December, the French Club celebrated Christmas with a delightful party, the refreshments for which were prepared by members of the club who used French recipes. French Christmas carols were sung by the group, followed by a reading of the Christmas story from a French Bible.

In the spring, several students accompanied Mrs. Kendrick on a trip to Paris during the Spring break. The group left on Easter Sunday, March 26, and spent seven full days and nights in the beautiful "City of Light."

Many students participated in the National French Contest, sponsored by the American Association of Teachers of French.

Another cultural trip to Dallas was part of the "Spring Scene," involving a visit to the Alliance Francaise, a French language school.

Officers for French Club: Tony Surles, President; Jane Anne Batjer, Vice-President; Kyla West, Secretary; and Cindy Compton, Treasurer. The sponsors were Mrs. Dorothy Kendrick and Mrs. Melissa Pilcher.

Student editorials and columns highlight every issue of the publication. The hard-working students on the CREST staff write all the articles which appear in the paper, and do their own art work and photography. The business staff is responsible for a large part of the sale of advertisements which help finance the CREST.

Editors of the CREST were Donna Testa and Janet Washington. Associate editors were Nancy Beckham and Brenda Bagby. The sponsor of the student newspaper is Mrs. Nancy Walter. This year, Mrs. Allene Free was also a sponsor.

Front Row: Pam Walker, Connie Dunn, Janis Hayman, Linda Geer, Valerie Valentine. Back Row: Leigh Ann Pittman, Laurie Harris, Karen Brooks, Gloria Norman, Allene Free, Debbie Strayer.

## Commentarius Staff of '78 Keeps Writin' On

*Commentarius* Staff members for 1978 were from front to back: Margaret Ann Rose, Debbie Vaughn, Mary Carter, Mitzi Henderson. Left to right: James Wells, Russell Rudd, Caron Bray, Randy McCoy. From back to front: Robin Baringer, Donna Testa, Sue Ann Johnson, Nancy Beckham. At right: Sponsor, Mr. David Noll.

Submissions! Submissions! was the cry from the staff of this year's literary magazine, the *Commentarius*. Under the leadership of the sponsor, Mr. David Noll, the crew again managed to put together a magazine recognized as being one of the best in its class.

What is a literary magazine? To the students of Cooper High School it represents the best from the culmination of art, photography, poetry, and prose submitted. The material which is submitted is then anonymously voted on by each staffer on its quality and then published. The *Commentarius* is made up of only the best in student writing, and therefore belongs to all of us.

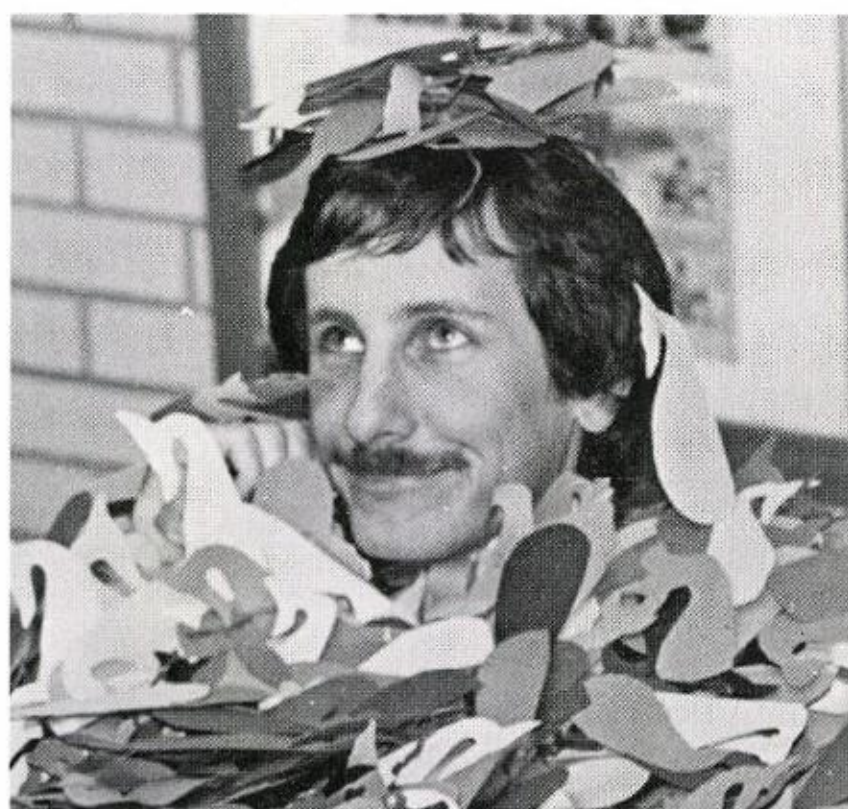

The staff of this year's *Commentarius* was headed by Russell D. Rudd and Randall McCoy as editors-in-chief; Robin Baringer, business manager; Mitzi Henderson and Margaret Ann Rose, publicity managers; Sue Johnson, prose editor; Jenni Davis, art editor; Nancy Beckham, photography editor; Debbie Vaughn, poetry editor; and, James Wells, Caron Bray, Mary Carter, and Donna Testa.

# Why I attend Abilene Christian University

*It is an unbelievable thrill to step into the spotlight at stage center and say to a nationwide, prime-time television audience: "I'm Judy Blanks from Wylie High School." That happened to me two years ago when I was a representative in the Miss Teenage America national pageant.*

*Now, I'm a sophomore accounting major at Abilene Christian University. In a very special way, being a student at ACU is an even greater thrill than the Miss Teenage America competition. At ACU I can make new friends every day, teachers are friendly and go out of their way to help every student, and the student body isn't so large that I get lost or become just a "number." The really important thing to me is that on our campus there is a prevailing Christian atmosphere in which all of us can freely and openly develop our spiritual dimension. This, then, is the greatest thrill . . . and I would like to see you attend ACU.*

**McMURRY IS a college on a human scale.**

There are 1300 students, which means you can get to know most or all of them. About 450 students live in the four campus residence halls. It is easy at McMurry to make the kind of friendships which last a lifetime.

You will become personally acquainted with many of our 80 faculty members, as well as librarians, administrators and others in the McMurry community.

Students come to McMurry for many reasons. They say that they remain because of the quality of the student body and faculty, and because of the friendly, informal atmosphere on campus. The best way to become acquainted with life on McMurry campus is to visit us and learn first hand.

## *In Memoriam*

*Lia Morgan*

*Talisman: Editor-in-chief: 1975*

*Most people are content to walk around, breathe, and just exist. Most people are content to perform the minimum requirements of life. There are, however, extremely rare human beings who come along too infrequently. These rare people are in love with life in all its aspects. These people have compassion and love for others. They are excited about the joy and beauty of the world and of all its accomplishments. They study, they love, they work, they care . . .*

*Lia Morgan was such a person. She was one of those rare people who love the world and the people in it and respect and use the great knowledge this world contains. We who knew her and loved her are glad that she crossed our lives and made our lives more meaningful and beautiful. We shall be eternally grateful.*

In Loving Memory of  
Marilyn Bauernfeind  
and  
Mark Thompson

*"Jesus, I like what I am,  
because, it was your idea.  
Help me to find adventure  
in my uniqueness, and not  
want to be what someone  
else is. God, if I lose sight  
of the fun being me, then  
your dreams of what I can  
be in this world die . . ."*

The Seniors of 1978 came to Cooper High School as young and inexperienced sophomores along with a new principal, Mr. Roger Bauernfeind. Mr. Bauernfeind helped us work out problems which would have been devastating to the activities we planned.

The past three years have helped develop many meaningful relationships with both faculty members and fellow students. We have acquired friends that will be remembered for years to come.

There seems to be a winning spirit at Cooper. In three short years we have seen many victories in various competitions. In 1976 the Cougar Tennis Team won the State Championship for the second straight year. We captured the district championship in basketball, baseball, and both boy's and girl's track in 1977. In 1978 we saw many victories, including second place in district in basketball. Success will be prevalent in the future because of this winning spirit.

To some people graduation is the end—suddenly finding yourself thrust into a hostile world, completely independent. However, graduation can be compared to a circle. There is no beginning or ending in a circle. It may seem like the end, but it is actually the beginning.

Although the Seniors of 1978 will be leaving Cooper, Mr. Bauernfeind and numerous others will continue to help the school. To those returning to Cooper High School next year and every year to come, remember— "Honor and pride, WE WILL NOT FAIL!"
